

# THE PowerLog®

## How Can You Buy the PowerLog?

**By the Box**  
Convenient Box of 4 PowerLogs

**In Bulk**  
Box of 8 PowerLogs

For a list of dealers visit us on the web at:  
[www.THEPOWERLOG.com](http://www.THEPOWERLOG.com)

Use a hatchet to break off a few pieces of a log, about the size of a hockey puck. Place over a solid fire starter or kindling. Open drafts fully for starting.

Once the fire is established, place full PowerLogs beside and on top.
